
Grammar Test #2 Study Guide

The test will be on Wednesday, Nov. 16th

You need to be able to...

- Say what a verbal, gerund, and participle LOOK like and ACT like.
- Identify whether an underlined word is a verb, gerund, participle, or infinitive.
- Be able to determine what part of speech the words are acting like (nouns, adjectives, or adverbs).
- WRITE sentences that use the three types of verbals to vary sentences (use your Next Step from 161-162 for help on this!)

To study you should...

- Review your notes and know them well.
- Look at past grammar homework (workbook pgs 161-162, Practice 1, Kahoot Questions - *I'll post these on Google Classroom*) and make sure you understand them.
- WRITE some sentences and have Mrs. Murphy check them to see if you are using the verbs correctly.

We will...

- Review a little a few days before.
- Have a few minutes to answer question in class on Monday and Wednesday...but not a lot. This will not be a time for me to check your written sentences - you come in before or after school to have me check those.
