
Logical Fallacies

DO NOW: Write an argument to convince the board that Crown Pointe should have fast food/restaurant food brought in for school lunch. Use as MANY arguments as you can in the time provided and use all three rhetorical strategies!

What is a *logical fallacy*?: _____

- Illegitimate _____ arguments
- _____ points
- Ideas that lack _____ to support your _____

	Definition	Example	Visual Representation
Slippery Slope			

	Definition	Example	Visual Representation
Hasty Generalization			
False Cause (Post hoc ergo propter hoc)			
Ad hominem			
Ad populum			
Either/Or			
Circular Argument
